#### **DISCUSSION & POSSIBLE DECISION REGARDING APPROVAL OF INTERGOVERNMENTAL AGREEMENT BETWEEN THE COUNTY OF SOCORRO AND THE VILLAGE OF MAGDALENA FOR FIRE SERVICES**

Mayor Rumpf reported that this agreement is for the Magdalena Fire Department to take over the Hop Canyon Fire Department including (4) four trucks and (1) one brand new brush truck that will all be turned over to the Village. Mayor Rumpf stated that we are hoping to get new members and it will help the ISO ratings. He stated that Socorro County is currently realigning what they're doing. They are also acquiring the Solaro Building to house the Fire Marshal's Office instead of it being in the County Annex Building. Donna Dawson asked, since Hop Canyon is outside of the village limits, can we take over the Hop Canyon Fire

Department. Attorney Randy VanVleck replied that as long as we continue working with County it can be done, and that an agreement should be in place. He added that it always depends on how the fire district is operating. Mayor Rumpf said that the Fire Marshal's office is aware of this and is in support of us taking over the Hop Canyon Firehouse. Attorney Randy VanVleck emphasized that we don't want to over burden your service. Mayor Rumpf stated that the agreement will be on the next Socorro County meeting agenda at the end of the month.

Donna Dawson moved to approve the Intergovernmental Agreement and Harvan Conrad seconded the motion.

Mayor Rumpf requested a Roll Call Vote:

Clark Brown: Aye

Donna Dawson: Aye

Harvan Conrad: Aye

Jim Nelson: Aye

The motion carried unanimously.

Harvan Conrad moved to approve the use of Lodgers Tax Funds for advertising for the Magdalena Chamber of Commerce, and Clark Brown seconded the motion.

Mayor Rumpf requested a Roll Call Vote:

James Nelson: Aye

Harvan Conrad: Aye

Donna Dawson: Aye

Clark Brown: Aye

### **PUBLIC INPUT – 1 TOPIC PER PERSON - 3 MINUTE LIMIT**

**PUBLIC COMMENT MAY BE MADE IN PERSON OR VIA EMAIL (IF LESS THAN 3 MINUTES). EMAIL COMMENTS MAY BE MADE BY EMAILING COMMENTS TO: [clerk@villageofmagdalena.com](mailto:clerk@villageofmagdalena.com) and/or**

Dr. Haven, Superintendent of the Village of Magdalena School District, shared that it is "Homecoming Week" and there are a lot of activities going on this week. He was happy to report that there is a new one member "Swim Team" and she is practicing with the Socorro swim team, her name is Sara Owen. Dr. Haven stated that Jorianne Mirabal was recently recognized by the New Mexico Activities Association in Indianapolis. He reported that Graduation has been changed to Thursday, May 16<sup>th</sup> and the Valedictorian is Krae Stephens and Salutatorian is Monique Baca.

Dr. Haven also reported that the Magdalena School District wants to continue with a 4-day school week, but it is still in discussion. He stated that the school is trying to create a "Crisis Team" and he is currently incident command and working with surrounding Police agencies. He stated that Bonds were passed with 84% voter approval for a total of \$1.4M in GO Bonds.

The school has applied for other money for exterior repairs as well as roof repairs and water drainage. Dr. Haven said he would like to attend our board meetings once per month to keep the Village up to date.

Harvan Conrad asked Dr. Haven about what the school's overall grade is. He replied that the district is doing bad, but they have applied for Federal money for intervention in reading and math. Attendance has also been an issue. Fortunately, there is still a full staff. He stated that there are new requirements for the incoming Freshman class with 22 credits needed to graduate.

Richard Esposito spoke next, sharing that he is an 11th year resident of Hop Canyon and he was a 7 year member of the Hop Canyon Volunteer Fire Department. He stated that there were a lot of issues that messed up the morale of the department. He emphasized that you should treat the volunteers right or you will have no volunteers left. Mr. Esposito stated that the address system is all messed up in Hop Canyon and right now each resident has two different house numbers. Harvan Conrad suggested creating a map that corresponds 911 addressing with the correct addresses.

Clark Brown had a concerned citizen ask him why the shooting range is closed. Mayor Rumpf reported that the shooting range is on private property, and he is going to contact the owner and fix the situation or try and get some answers and resolve any issues. There is currently no other suitable location for the shooting range in the immediate area.

**ADJOURNMENT:** Donna Dawson moved to adjourn the meeting at 5:48 p.m. and Clark Brown seconded the motion. The motion carried unanimously.

Respectfully Submitted,

Juanita Puente

If the improvements are not completed by the completion date, the subdivision shall revert to a preliminary status.

2. Security Agreements

a. If the subdivider prefers to file the plat prior to completion of improvements in the subdivision, then he may provide a security agreement. The amount of such security must cover the projected cost of all required improvements. The amount shall be based on the projected costs at the time improvements are scheduled for completion. The projected costs shall be verified and approved by the Village Clerk. One of the following types of security shall be filed with the Village:

**SECTION VI: DESIGN STANDARDS**

A. **Lot Size and Frontage:** The following lot sizes and frontage shall be used as minimums in the design of newly platted lots in subdivisions.

<u>Water availability</u>	<u>Lot Size</u>	<u>Lot Frontage</u>
Village water system	0.25 acre	80'
Individual water system	1 acre	100'

B. **Street and Alley Location and Arrangement:**

1. The character, extent, width, and location of all streets shall conform to the Master Plan and policies of the Village and shall be consistent and appropriate in their relationship to existing and planned streets and alleys, topographic conditions, public convenience, safety, and the proposed uses of the land to be served by such streets.

2. Where a street or alley is not shown in the Master Plan and there is not an adopted future street or alley line, the arrangement of streets and alleys in a subdivision shall provide for the continuation or appropriate projection of existing principal streets and alleys in surrounding areas.

C. **Street and Alley Standards:**

1. When rights-of-way for public streets and alleys are needed, they shall be provided in accordance with the standards and requirements described as follows:

a.	Major thoroughfare	120 feet
b.	Collector street	66 feet
c.	Minor street	55 feet
d.	Cul-de-sac	50 feet radius
e.	Alley	20 feet

Streets which terminate in a cul-de-sac shall be no longer than five hundred feet (500').

2. Bike paths and trails shall be a follows:

a.	Right-of-way, minimum	10 feet
b.	Pavement width	8 feet

3. Street jogs with centerline off-sets of less than one hundred twenty-five (125) feet shall not be permitted.

4. Streets shall be laid out so as to intersect as nearly as possible at right angles, and no street shall intersect any major or secondary thoroughfare or arterial street at less than seventy-five (75) degrees and no collector or minor street at less than sixty (60) degrees.

5. Property lines at street intersections shall be rounded with a radius of 10', or a greater radius where the Planning and Zoning Authority will deem it, whenever necessary to permit the construction of a curb (having a 15' radius) without curtailing the sidewalk at a street corner to less than normal width.

6. Street names shall be used which will not duplicate or be confused with the names of existing streets. Where a proposed street is to be a continuation of an existing street, the proposed street shall have the name of the existing street. The use of the suffix "street," "avenue," "boulevard," "drive," "lane," "place," or "court" shall not be a distinction sufficient to avoid confusion; therefore duplicates with different suffixes shall not be used.

7. If a road is to remain a private road, it must be additionally posted with a sign indicating that it is a private road.

8. All streets within the subdivision shall be provided with traffic and street signs by the subdivider in accordance with the Manual of Uniform Traffic Control Devices.

9. The road cross-section of all subdivisions shall comply with the following standards:

<u>Average Daily Traffic</u>	<u>Standard Cross-section</u>
0 - 300	32 ft. roadway plus curb and gutter
in excess of 300	32 ft. roadway width plus curb and gutter with sidewalk

The above standards are subject to the following conditions and adjustments:

a. Roll over curb may be used depending on the necessary application as determined by the Planning and Zoning Authority. The area between the curbs shall be surfaced with concrete or asphalt meeting the standard specifications of the latest New Mexico State Highway and Transportation Department guidelines.

b. For Average Daily Traffic Flows up to 300, the curb and gutter may be omitted at the discretion of the Planning and Zoning Authority, provided:

(1) The drainage pattern as proposed is not dependent on the curb and gutter.

(2) All ponding areas, whether on private or public right-of-way, are constructed at the time the subdivision roads are built.

c. For the purpose of determining section requirements, the highest Average Daily Traffic projection shall govern all streets within the subdivision.

**D. Road Requirements:**

1. Unless otherwise stipulated by the Village of Magdalena, all materials incorporated within and work performed in the construction of streets shall meet the requirements of the appropriate portions of the most recent versions of the New Mexico State Highway Department Standard Specifications and/or Detail specifications sections. Sections not listed shall not relieve the subdivider from complying with standards of a recognized authority approved by the Magdalena Planning and Zoning Authority.

2. The subdivider shall be required to prove that materials supplied and items constructed meet these regulations. Certifications and test results shall verify such factors including but not limited to asphalt grades, aggregate gradations mix design, application rates, and compaction percentages.

3. The Village of Magdalena reserves the right to require materials that will enhance economics and facilitate operations associated with long term maintenance efforts. Materials that meet New Mexico State standards without having Village of Magdalena approval for utilization within a particular street section might not be acceptable per se.

4. In new subdivisions, the Village of Magdalena will require maximum safety and efficiency of traffic flow by minimizing the number of automobile access points along arterials or collectors. Lots with private drives fronting on arterials or collectors are discouraged. In no case shall an access road in a newly platted subdivision be permitted which is closer than 300' from the intersection of two arterial streets, an arterial and collector street or two collector streets.

5. For major subdivisions, accompanying the preliminary plat, a Road Construction plan shall be submitted. It will be of similar size and format to the preliminary plat and shall be a reproducible drawing. It shall give the following information:

- a. Name and width of each street and associated right of way.
- b. Centerlines of street right-of-way with dimensions between intersections centerlines or tract boundary lines.
- c. Locations, dimensions, and purposes of any easements.
- d. Longitudinal and transverse slopes.

- e. Typical sections including width, thickness, material composition, and compaction requirements of all courses.
- f. Material specifics, invert elevations, sizes, slopes, and drainage channel requirements of all drainage structures.
- g. Identification, location, and miscellaneous particulars of all utilities to be located within the rights-of-way.
- h. Obstruction clearing widths.
- i. Existing and proposed contours.
- j. Adequate curve data to allow construction as intended.
- k. Survey markers and ties.
- l. Professional Engineer stamp will be required on road plans.

The review of the preliminary plat shall include a review of the Road Construction Plan and related information.

**E. Utility Improvements:**

1. The subdivider shall be responsible for costs of installing water and sewer lines, if provided, of adequate size to serve the development, but in no case shall there be less than six inch (6") water line and an eight inch (8") sewer line, including appropriate cut-outs and clean-outs.
2. All utility improvements shall meet or exceed Village specifications. The subdivider of a subdivision within the Village limits shall make necessary arrangements to serve each lot with adequate water of the Village of Magdalena water system where feasible. Sources and availability of water supply shall be provided when water services cannot be obtained through the Magdalena water system. Any individual or private system installed within the Village limit shall be required to be compatible with the Magdalena water system.
3. The subdivider of subdivisions within the Village limits shall be responsible for the installation of fire hydrants. Locations shall be approved by the Magdalena Fire Department and the Planning and Zoning Authority.
4. Subdivisions within the corporate limits of the Village shall have sewer lines connected to the sanitary sewer system of the Village where feasible. Sewer lines shall be accessible to each lot within the subdivision when available. Proposed method of sewage disposal shall be provided when sewer services cannot be obtained through the Magdalena

sewage system. Said sewage disposal systems shall be constructed in accordance with standards established by the New Mexico Environment Department and shall be subject to its approval.

5. Where lots cannot be connected with a public sewer system, provisions must be made for sanitation of sewage. The subdivision plat shall include deed restrictions requiring that all such disposal systems shall be constructed in accordance with New Mexico Environment Department standards. Location of septic tanks should take into consideration possibilities of future connections to a community sewer system.

6. Magdalena will not approve density development greater than one unit per acre in an area which is flood-prone or has a high water table unless it is connected to the Village's sewage collection system.

7. Where land subdivided within the corporate limits of the Village cannot be served with water and/or sewer utilities, the subdivider shall be required to disclose this fact in writing and submit it to lot buyers with the warranty deed.

8. Subdivisions shall base all required utility lines on the maximum population density allowed by the zoning district in which the subdivision is located.

9. The Subdivider shall be responsible for all the costs associated with the extending of utilities roadways or other necessary infrastructure from existing infrastructure to the site proposed for development according to Magdalena's Capital Improvement Plan.

F. Storm Drainage Analysis Plan: A storm drainage analysis and plat shall be prepared and signed by a professional engineer registered in New Mexico to include the following:

1. An up-to-date topographic survey, aerial photograph or contour map of the area to be subdivided and contributing watershed showing existing structures and pavement and denoting existing elevations above mean sea level of all land features and improvements that would affect drainage.

2. Ground elevation on the side based on mean sea level datum as established by the U.S. Coast and Geodetic Survey:

(1) For land that slopes less than approximately one percent (1%), show contour lines at intervals of not more than one foot (1') and spot elevations at all breaks in grade along all drainage channels or swales, and at selected points not more than one hundred feet (100') apart in all directions.

(2) For land that slopes approximately between two percent (2%) to five percent (5%), show contour lines at intervals of not more than two feet (2').

(3) For land that slopes more than five percent (5%), show contour lines at intervals of not more than five feet (5')

3. A drainage report with a map identifying and locating all rivers, creeks, arroyos, draws, washes or any other channel having definite banks and bed with visible evidence of the occasional flow of water. It shall include computations of the watershed area draining into each watercourse, identification and analysis of permeability of soils in each watershed, and calculations based on the S.C.S. Engineering Field Manual procedures for estimating run-off from a one-hundred-year frequency storm of:

a. The volume and peak discharge of storm surface waters emanating from higher lands and drainage through the area to be subdivided (external drainage).

b. The volumes and peak discharges of internal drainage originating from the land to be subdivided prior to and after completion of the proposed development.

4. A detailed storm drainage plan showing how the run-off from a one-hundred-year frequency storm will be maintained on the property being subdivided. Means of detention basins, retention basins, swales on lots or any other method approved by the Authority so as to insure that new development will not increase the peak discharge load on the existing drainage system or cause damage to properties at lower elevations. A map submitted with the plan shall indicate all points of entry and discharge of storm run-off prior to and after development, as well as proposed easements and structures provided for containment or controlled discharge of storm drainage. Points of discharge of natural watercourses shall not be altered by the development.

5. A grading plan showing any proposed alteration, including finished elevations of areas to be graded, paved areas, building sites, retention or detention areas retaining walls and other structures. It shall be accompanied by a signed agreement by the owner of the lands being platted binding on his heirs or subsequent owners, that no grading, land filling, excavating or other alteration will be done except pursuant to the approved or amended grading plan.

6. The plan shall show that all property within the subdivision is developed in such a manner the flood damage will be minimized and that construction and substantial improvements are elevated to the one hundred (100) year flood level, if the property lies in an area which is prone to flooding. New water and sewer systems (including on-site systems) shall be located to avoid impairment or contamination during flooding.

7. Areas which will be inundated by run-off from a one-hundred (100) year or greater frequency storm shall not be divided into lots for sale in any proposed subdivision.

8. A copy of the subdivision plat and drainage plan will be provided to any public entity with holdings in the area for their review in order to avoid urban conflicts with the operation and maintenance of utility systems. Their review shall be advisory only.

Pursuant to the Act, as amended and supplemented from time to time, the Governmental Unit is authorized to enter into the transactions contemplated by this Loan Agreement and the Intercept Agreement and to carry out its obligations hereunder and thereunder. The Governmental Unit has duly authorized and approved the execution and delivery of this Loan Agreement, the Intercept Agreement, and the other documents related to the transaction.

(d) Use of Loan Agreement Proceeds. The Governmental Unit shall proceed without delay in applying the proceeds of this Loan Agreement to the acquisition of the Project.

(e) Payment of Loan Agreement. The Governmental Unit shall promptly pay Loan Agreement Payments, as specified in Exhibit "B" hereto, according to the true intent and meaning of this Loan Agreement. Loan Agreement Payments are payable solely from (i) the Pledged Revenues, (ii) special reserve funds of the Finance Authority (as determined by the Finance Authority, and subject to repayment from the Pledged Revenues), or (iii) the proceeds of refunding bonds or other refunding obligations which the Governmental Unit may hereafter issue in its sole discretion and which are payable from the Pledged Revenues; and nothing in this Loan Agreement shall be construed as obligating the Governmental Unit to pay Loan Agreement Payments from any general or other fund of the Governmental Unit other than such special funds. Nothing contained in this Loan Agreement, however, shall be construed as prohibiting the Governmental Unit in its sole and absolute discretion, from making such payments from any moneys which may be lawfully used, and which are legally available, for that purpose.

(f) Acquisition and Completion of Project. The Project will consist of acquiring and completing the purchase of a new police vehicle and the related equipment. The Project will be acquired and completed so as to comply with all applicable ordinances, resolutions and regulations, if any, and any and all applicable laws relating to the acquisition and completion of the Project and to the use of the Pledged Revenues. The Project complies with Section 29-13-7, NMSA 1978, as amended.

(g) Necessity of Project. The acquisition of the Project under the terms and conditions provided for in this Loan Agreement is necessary, convenient and in furtherance of the governmental purposes of the Governmental Unit and is in the best interest of the Governmental Unit and its residents.

(h) Legal, Valid and Binding Special Obligation. The Governmental Unit has taken all required action necessary to authorize the execution and delivery of this Loan Agreement and the Intercept Agreement, and this Loan Agreement and the Intercept Agreement constitute legal, valid and binding special obligations of the Governmental Unit enforceable in accordance with their terms.

(i) Loan Agreement Term. The weighted average maturity of 5.0409 years of the Loan Agreement does not exceed 120% of the reasonably expected life of the Project which is four (4) years.

(j) Use of Project. During the Loan Agreement Term, the Project will at all times be used for the purpose of benefiting the Governmental Unit as a whole.

(k) No Private Activity. The Governmental Unit is a “governmental unit” within the meaning of Sections 103 and 141(b)(6) of the Code. In addition, no amounts disbursed from the Program Account and used to finance the Project shall be used in the trade or business of a person who is not a “governmental unit” within the meaning of Sections 103 and 141(b)(6) of the Code.

(l) No Excess Loan Agreement Proceeds. The amount loaned to the Governmental Unit under this Loan Agreement as set forth on the Term Sheet does not exceed the sum of: (i) the cost of the Project; (ii) an amount necessary to pay the costs related to issuance of the Bonds, if any.

(m) No Breach or Default Caused by Loan Agreement or Intercept Agreement. Neither the execution and delivery of this Loan Agreement and the Intercept Agreement, nor the fulfillment of or compliance with the terms and conditions in this Loan Agreement and the Intercept Agreement, nor the consummation of the transactions contemplated herein and therein, conflicts with or results in a breach of terms, conditions or provisions of any restriction or any agreement or instrument to which the Governmental Unit is a party or by which the Governmental Unit is bound or any laws, ordinances, governmental rules or regulations or court or other governmental orders to which the Governmental Unit or its properties are subject, or constitutes a default under any of the foregoing.

(n) Irrevocable Enactments. While this Loan Agreement remains outstanding and unpaid, any ordinance, resolution or other enactment of the Governing Body applying the Pledged Revenues for the payment of this Loan Agreement, including the Resolution shall be irrevocable until this Loan Agreement has been paid in full as to both principal and interest, and shall not be subject to amendment or modification in any manner which would in any way jeopardize the timely payment of Loan Agreement Payments.

(o) Outstanding Debt. Except for the Parity Obligations, if any, described on the Term Sheet, there are currently no outstanding bonds, notes or other obligations of the Governmental Unit which are payable from and secured by a parity lien on the Pledged Revenues. No additional indebtedness, bonds or notes of the Governmental Unit payable on a priority ahead of the indebtedness herein authorized out of the Pledged Revenues shall be created or incurred while this Loan Agreement remains outstanding. No additional indebtedness, bonds or notes of the Governmental Unit payable on a priority ahead of the indebtedness herein authorized out of the Pledged Revenues shall be created or incurred while this Loan Agreement remains outstanding. Prior to entering into additional indebtedness to be secured by a parity lien on the Pledged Revenues, the Governmental Unit shall comply with the terms of Section 5.5 hereof and shall seek the written consent of the Finance Authority, such consent shall not be unreasonably withheld. During the term of this Loan Agreement, prior to entering into any indebtedness secured by a subordinate lien on the Pledged Revenues or a lien on any revenues of the Governmental Unit other than the Pledged Revenues, the Governmental Unit shall notify the Finance Authority in writing of such indebtedness.

(p) No Litigation. To the knowledge of the Governmental Unit, no litigation or proceeding is pending or threatened against the Governmental Unit or any other person affecting the right of the Governmental Unit to execute or deliver this Loan Agreement or the Intercept Agreement or to comply with its obligations under this Loan Agreement or the Intercept Agreement. Neither, the execution and delivery of this Loan Agreement or the Intercept Agreement by the Governmental Unit, nor compliance by the Governmental Unit with the obligations under such agreements, requires the approval of any regulatory body, or any other entity, which approval has not been obtained or which is not reasonably expected to be obtained.

(q) No Event of Default. No event has occurred and no condition exists which, upon the execution and delivery of this Loan Agreement and the Intercept Agreement, would constitute an Event of Default on the part of the Governmental Unit under this Loan Agreement or the Intercept Agreement.

(r) Pledged Revenues Not Budgeted. The portion of the Pledged Revenues necessary to pay the Loan Agreement Payments, as and when due, is not needed or budgeted to pay current or anticipated operational or other expenses of the Governmental Unit.

(s) Expected Coverage Ratio. The Pledged Revenues (giving credit for any increase in the Pledged Revenues which has received final approval of the Governing Body and become effective) from the Fiscal Year immediately preceding the Closing Date were equal to or exceeded and, on an ongoing basis during each year of the Loan Agreement Term, are reasonably expected to equal or exceed, one hundred twenty-five percent (125%) of the maximum Aggregate Annual Debt Service Requirement.

(t) No Extension of Interest Payments. The Governmental Unit will not extend or be a party to the extension of the time for paying any interest on this Loan Agreement.

(u) Governmental Unit's Existence. The Governmental Unit will maintain its corporate identity and existence so long as this Loan Agreement is unpaid, unless another political subdivision by operation of law succeeds to the liabilities and rights of the Governmental Unit

without adversely affecting to any substantial degree the privileges and rights of the Finance Authority.

(v) Continuing Disclosure. The Governmental Unit covenants that it shall provide continuing disclosure to the Finance Authority, as the Finance Authority may require, that shall include, but not be limited to, annual audits, operational data required to update information in any disclosure documents used to assign or securitize the Loan Agreement Payments by issuance of Bonds by the Finance Authority pursuant to the Indenture, and notification of any event deemed material by the Finance Authority.

(w) Tax Covenants. The Governmental Unit covenants that it shall restrict the use of the proceeds of this Loan Agreement in such manner and to such extent, if any, as may be necessary so that this Loan Agreement will not constitute an arbitrage bond under Section 148 of the Code and that it shall pay any applicable rebate to the Internal Revenue Service. Authorized Officers of the Governmental Unit are hereby authorized and directed to execute an Arbitrage and Tax Certificate as may be required by the Finance Authority and such additional certificates as shall be necessary to establish that this Loan Agreement is not an “arbitrage bond” within the meaning of Section 148 of the Code and the Treasury Regulations promulgated or proposed with respect thereto, including Treasury Regulation Sections 1.148-1 through 1.148-11, 1.149 and 1.150 as the same currently exist, or may from time to time hereafter be amended, supplemented or revised. The Governmental Unit covenants to comply with the provisions of any such Arbitrage and Tax Certificate and the provisions thereof will be incorporated herein by reference to the same extent as if set forth herein. The Governmental Unit covenants that no use will be made of the proceeds of this Loan Agreement, or any funds or accounts of the Governmental Unit which may be deemed to be Gross Proceeds (as defined in Treasury Regulation Section 1.148-1(b)) of this Loan Agreement, which use, if it had been reasonably expected on the Closing Date, would have caused this Loan Agreement to be classified as an “arbitrage bond” within the meaning of Section 148 of the Code. Pursuant to this covenant, the Governmental Unit obligates itself to comply throughout the Loan Agreement Term with the requirements of Sections 103 and 141 through 150 of the Code and the regulations proposed or promulgated with respect thereto. The Governmental Unit further represents and covenants that no bonds or other evidence of indebtedness of the Governmental Unit payable from substantially the same source as this Loan Agreement have been or will be issued, sold or delivered within fifteen (15) days prior to or subsequent to the Closing Date. The Governmental Unit hereby further represents and covenants to comply with Section 7.6 hereof, which designates this Loan Agreement as a “qualified tax-exempt obligation” for purposes of Section 265(b)(3) of the Code.

(x) Use of Law Enforcement Protection Fund Revenues. The Governmental Unit will take no action with respect to the Project that would constitute a violation of the terms of Sections 29-13-7 and 29-13-9, NMSA 1978, as the same may be amended or recompiled from time to time.

Section 2.2 Representations, Covenants and Warranties of the Finance Authority. The Finance Authority represents, covenants and warrants for the benefit of the Governmental Unit as follows:

(a) Authorization of Loan Agreement and Intercept Agreement. The Finance Authority is a public body politic and corporate constituting a governmental instrumentality, separate and apart from the State, duly organized, existing and in good standing under the laws of the State, has all necessary power and authority to enter into and perform and observe the covenants and agreements on its part contained in this Loan Agreement and the Intercept Agreement and, by proper action, has duly authorized the execution and delivery of this Loan Agreement and the Intercept Agreement based upon the Finance Authority's findings that:

(i) The Governmental Unit is a disadvantaged qualified entity in that its median household income is \$26,081, which is less than eighty percent (80%) of the State median household income of \$54,020.

(ii) The Project is important to the overall capital needs of the State and directly enhances the health and safety of the residents of the Governmental Unit].

(b) Assignment of Rights. The Finance Authority may not pledge or assign the Pledged Revenues, the Loan Agreement Payments or any of its other rights under this Loan Agreement and the Intercept Agreement except to the Trustee pursuant to the Indenture.

(c) No Breach or Default Caused by Loan Agreement or Intercept Agreement. Neither the execution and delivery of this Loan Agreement or the Intercept Agreement, nor the fulfillment of or compliance with the terms and conditions of this Loan Agreement or the Intercept Agreement, nor the consummation of the transactions contemplated in this Loan Agreement or the Intercept Agreement, conflicts with or results in a breach of the terms, conditions and provisions of any restriction or any agreement or instrument to which the Finance Authority is a party or by which the Finance Authority is bound or constitutes a default under any of the foregoing and will not conflict with or constitute a violation of any constitutional or statutory provision or order, rule, regulation, decree or resolution of any court, government or governmental authority having jurisdiction over the Finance Authority or its property and which conflict or violation will have a material adverse effect on the Finance Authority or the financing of the Project.

(d) No Litigation. To the knowledge of the Finance Authority, there is no litigation or proceeding pending or threatened against the Finance Authority or any other person affecting the right of the Finance Authority to execute or deliver this Loan Agreement or the Intercept Agreement or to comply with its obligations under this Loan Agreement or the Intercept Agreement. Neither, the execution and delivery of this Loan Agreement or the Intercept Agreement by the Finance Authority, nor compliance by the Finance Authority with its obligations under this Loan Agreement and the Intercept Agreement requires the approval of any regulatory body, or any other entity, which approval has not been obtained.

(e) Legal, Valid and Binding Obligations. This Loan Agreement and the Intercept Agreement constitute the legal, valid and binding obligations of the Finance Authority enforceable in accordance with their terms.

(f) Tax-Exempt Reimbursement of Amount Loaned. The Finance Authority intends to reimburse the public project revolving fund (as defined in the Finance Authority Act)

for the amount of the Loan from the proceeds of tax-exempt bonds which the Finance Authority expects to issue within eighteen (18) months of the Closing Date.

**ARTICLE III  
LOAN AGREEMENT TERM**

The Loan Agreement Term shall commence on the Closing Date and shall not terminate until this Loan Agreement has been paid in full or provision for the payment of this Loan Agreement has been made pursuant to Article VIII hereof.

**ARTICLE IV  
LOAN; APPLICATION OF MONEYS**

On the Closing Date, the Finance Authority shall transfer the Loan Agreement Principal Amount as follows:

(a) To the Trustee, the amount shown on the Term Sheet as the Program Account Deposit shall be deposited in the Governmental Unit's Program Account to be maintained by the Trustee pursuant to the Indenture and disbursed pursuant to Section 6.2 hereof at the direction of the Governmental Unit as needed by the Governmental Unit for the Project; and

(b) To the Finance Authority, the amount shown on the Term Sheet as the Finance Authority Debt Service Account deposit shall be deposited into the Finance Authority Debt Service Account to be maintained by the Finance Authority or its assignee and utilized as provided in Section 5.2 hereof; and

**ARTICLE V  
LOAN TO THE GOVERNMENTAL UNIT;  
PAYMENTS BY THE GOVERNMENTAL UNIT**

Section 5.1 Loan to the Governmental Unit; Payment Obligations Limited to Pledged Revenues; Pledge of Pledged Revenues. The Finance Authority hereby lends to the Governmental Unit and the Governmental Unit hereby borrows from the Finance Authority an amount equal to the Loan Agreement Principal Amount. The Governmental Unit promises to pay, but solely from the sources pledged herein or special reserve funds of the Finance Authority (as determined by the Finance Authority, and subject to repayment from the Pledged Revenues), the Loan Agreement Payments as herein provided. The Governmental Unit does hereby convey, assign and pledge unto the Finance Authority and unto its successors in trust forever all right, title and interest of the Governmental Unit in and to: (i) the Pledged Revenues to the extent required to pay the Loan Agreement Payments on parity with the Parity Obligations; (ii) the Finance Authority Debt Service Account, such account being held by the Finance Authority; (iii) the Program Account, such account being held by the Trustee; and (iv) all other rights hereinafter granted, for the securing of the Governmental Unit's obligations under this Loan Agreement, including payment of the Loan Agreement Payments and Additional Payment Obligations; provided, however, that if the Governmental Unit, its successors or assigns, shall well and truly pay, or cause to be paid, all Loan Agreement Payments at the time and in the manner contemplated by this Loan Agreement, according to the true intent and meaning hereof, or shall provide, as permitted by Article VIII of

this Loan Agreement for the payment thereof and shall pay all other amounts due or to become due under this Loan Agreement in accordance with its terms and provisions, then, upon such final payment or provision for payment by the Governmental Unit, this Loan Agreement and the rights created thereby shall terminate; otherwise, this Loan Agreement shall remain in full force and effect. The Loan Agreement Payments shall, in the aggregate, be sufficient to pay the Principal Component and Interest Component when due, the payment schedule of which is attached hereto as Exhibit "B."

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Governmental Unit and the Finance Authority acknowledge and agree that the Loan Agreement Payments of the Governmental Unit hereunder are limited to the Pledged Revenues, and that this Loan Agreement shall constitute a special, limited obligation of the Governmental Unit. No provision of this Loan Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Governmental Unit within the meaning of any constitutional or statutory debt limitation. No provision of this Loan Agreement shall be construed to pledge or to create a lien on any class or source of Governmental Unit moneys other than the Pledged Revenues, nor shall any provision of this Loan Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Governmental Unit moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Governmental Unit hereunder, the Pledged Revenues may be utilized by the Governmental Unit for any other purposes permitted by law.

Section 5.2 Payment Obligations of Governmental Unit. As provided in the Intercept Agreement, the Distributing State Agency shall cause to be transferred from the Pledged Revenues or special reserve funds of the Finance Authority (as determined by the Finance Authority, and subject to repayment from the Pledged Revenues), the amounts provided in subsections (a)(i) and (ii) of this Section 5.2 for deposit into the Finance Authority Debt Service Account. The Finance Authority Debt Service Account shall be established and held by the Finance Authority on behalf of the Governmental Unit. All Pledged Revenues received by the Finance Authority pursuant to the Intercept Agreement shall be accounted for and maintained on an ongoing basis by the Finance Authority in the Finance Authority Debt Service Account or used for repayment of Loan Agreement Payments paid by the special reserve funds of the Finance Authority, and all Loan Agreement Payments shall be remitted to the Trustee. The amounts on deposit in the Finance Authority Debt Service Account shall be expended and used by the Finance Authority or the Trustee, as the case may be, only in the manner and order of priority specified below.

(a) As a first charge and lien, but not an exclusive first charge and lien, on the Pledged Revenues (on a parity with the lien on the Pledged Revenues created by any outstanding Parity Obligations), the Governmental Unit shall remit to the Finance Authority and the Finance Authority shall transfer and deposit into the Finance Authority Debt Service Account the following from the Pledged Revenues received pursuant to the Intercept Agreement from the Governmental Unit, which the Finance Authority shall transfer to the Trustee in accordance with the Indenture:

(i) Interest Components. Amounts necessary to pay the Interest Components coming due on this Loan Agreement on May 1 and November 1 of each Fiscal Year beginning with the Fiscal Year ending June 30, 2025, as described in Exhibit "B;"

(ii) Principal Payments. Amounts necessary to pay the Principal Components coming due on this Loan Agreement on May 1 of each Fiscal Year beginning with the Fiscal Year ending June 30, 2025, as described in Exhibit “B.”

(b) Each Loan Agreement Payment shall be transferred by the Finance Authority from the Finance Authority Debt Service Account to the Trustee.

(c) Subject to the foregoing deposits, the Finance Authority or the Trustee shall annually use the balance of the Pledged Revenues received, if any, at the request of the Governmental Unit: (i) to credit against upcoming Loan Agreement Payments; or (ii) to distribute to the Governmental Unit’s account in the Law Enforcement Protection Fund maintained by the State Treasurer for any purpose permitted by law.

Section 5.3 Manner of Payment. All payments of the Governmental Unit hereunder shall be paid in lawful money of the United States of America to the Finance Authority at the address designated in Section 11.1 herein, for remittance to the Trustee. The obligation of the Governmental Unit to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder, and payment hereunder shall not be abated through accident or unforeseen circumstances. Notwithstanding any dispute between the Governmental Unit, the Finance Authority, the Trustee, any vendor or any other person, the Governmental Unit shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Governmental Unit assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 5.4 Disposition of Payments by the Trustee. The Trustee shall deposit all moneys received by the Finance Authority under this Loan Agreement in accordance with the Indenture.

Section 5.5 Additional Parity Obligations. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional Parity Obligations payable from the Pledged Revenues, nor to prevent the issuance of bonds or other obligations refunding all or a part of this Loan Agreement; provided, however, that before any such additional Parity Obligations are actually issued (excluding refunding bonds or refunding obligations which refund Parity Obligations but including parity refunding bonds and obligations which refund subordinate obligations as provided in Section 5.6 hereof), the Governmental Unit shall obtain the written consent of the Finance Authority and it must be determined that:

(a) The Governmental Unit is then current in all of the accumulations required to be made into the Finance Authority Debt Service Account as provided herein.

(b) No default shall exist in connection with any of the covenants or requirements of the Resolution or this Loan Agreement.

(c) The Pledged Revenues received by or credited to the Governmental Unit for the Fiscal Year or for any twelve (12) consecutive months out of the twenty-four (24) months

preceding the date of the issuance of such additional Parity Obligations (the “Historic Test Period”) shall have been sufficient to pay an amount representing one hundred twenty-five percent (125%) of the combined maximum Aggregate Annual Debt Service Requirement coming due in any subsequent Fiscal Year on the then outstanding Parity Obligations and the Parity Obligations proposed to be issued (excluding the accumulation of any reserves therefor).

(d) A written certification or opinion by the Governmental Unit’s Treasurer or chief financial officer or by an Independent Accountant that the Pledged Revenues for the Historic Test Period are sufficient to pay said amounts, shall be conclusively presumed to be accurate in determining the right of the Governmental Unit to authorize, issue, sell and deliver the Parity Obligations proposed to be issued.

(e) With prior written notice to the Finance Authority, no provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional bonds or other obligations payable from the Pledged Revenues constituting a lien upon such Pledged Revenues subordinate and junior to the lien of this Loan Agreement nor to prevent the issuance of bonds or other obligations refunding all or part of this Loan Agreement as permitted by Section 5.6 hereof.

(f) The Governmental Unit shall not issue bonds or other obligations payable from the Pledged Revenues having a lien thereon prior and superior to this Loan Agreement.

Section 5.6 Refunding Obligations. The provisions of Section 5.5 hereof are subject to the following exceptions:

(a) If at any time after the Closing Date, while this Loan Agreement, or any part thereof, is outstanding, the Governmental Unit shall find it desirable to refund any outstanding bonds or other outstanding obligations payable from the Pledged Revenues, this Loan Agreement, such bonds or other obligations, or any part thereof, may be refunded (but the holders of this Loan Agreement or bonds to be refunded may not be compelled to surrender this Loan Agreement or their bonds, unless this Loan Agreement, the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the Governmental Unit’s option), regardless of whether the priority of the lien for the payment of the refunding obligations on the Pledged Revenues is changed, except as provided in subparagraph (e) of Section 5.5 hereof and in subparagraphs (b) and (c) of this Section.

(b) No refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued on a parity with this Loan Agreement unless:

(i) The outstanding obligations so refunded are Parity Obligations and the refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof.

(c) The refunding bonds or other obligations so issued shall enjoy complete equality of lien on the Pledged Revenues with the portion of this Loan Agreement or any bonds or

other obligations of the same issue which is not refunded, if any; and the holder or holders of such refunding bonds or such other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the holder or holders of this Loan Agreement or the bonds or other obligations of the same issue refunded thereby. If only a part of this Loan Agreement or the outstanding bonds and any other outstanding obligations of any issue or issues payable from the Pledged Revenues is refunded, then such obligations may not be refunded without the consent of the holder or holders of the unrefunded portion of such obligations, unless:

(i) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations and by the outstanding obligations not refunded on and prior to the last maturity date of such unrefunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof; or

(iii) The lien on the Pledged Revenues for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.

(d) Any refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued with such details as the Governmental Unit may provide by ordinance or resolution, but without any impairment of any contractual obligations imposed upon the Governmental Unit by any proceedings authorizing the issuance of any unrefunded portion of such outstanding obligations of any one or more issues (including, but not necessarily limited to, this Loan Agreement).

Section 5.7 Investment of Governmental Unit Funds. Money on deposit in the Finance Authority Debt Service Account established by the Finance Authority for the Governmental Unit may be invested by the Finance Authority in Permitted Investments at the discretion of the Finance Authority. Money on deposit in the Program Account held by the Trustee and created hereunder may be invested by the Trustee in Permitted Investments at the written direction of the Finance Authority or at the discretion of the Trustee. Any earnings on any of said accounts shall be held and administered in the account and utilized in the same manner as the other moneys on deposit therein.

Section 5.8 Governmental Unit May Budget for Payments. The Governmental Unit may, in its sole discretion, but without obligation and subject to the Constitution of the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to defray any insufficiency of the Pledged Revenues to pay Loan Agreement Payments; provided, however, the Governmental Unit has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

## **ARTICLE VI THE PROJECT**

Section 6.1 Agreement To Acquire and Complete the Project. The Governmental Unit hereby agrees that to effectuate the purposes of this Loan Agreement and to effectuate the

acquisition of the Project, it shall make, execute, acknowledge and transmit any contracts, orders, receipts, writings and instructions with any other persons, firms or corporations and, in general, do all things which may be requisite or proper to complete the Project. The Governmental Unit agrees to acquire the Project through the application of moneys to be disbursed from the Program Account pursuant to Section 6.2 of this Loan Agreement.

Section 6.2 Disbursements From the Program Account. So long as no Event of Default shall occur, the Trustee shall disburse moneys from the Program Account in accordance with Section 6.2 of the Indenture upon receipt by the Trustee of a requisition substantially in the form of Exhibit "C" attached hereto signed by an Authorized Officer of the Governmental Unit.

No disbursement shall be made from the Program Account without the approval of Bond Counsel: (i) to reimburse the Governmental Unit's own funds for expenditures made prior to the Closing Date; (ii) to refund or advance refund any tax-exempt obligations issued by or on behalf of the Governmental Unit; (iii) to be used, directly or indirectly, to finance a project used or to be used in the trade or business of a person who is not a "governmental unit," within the meaning of Section 141(b)(6) of the Code; or (iv) to expend funds after the date that is three (3) years after the execution and delivery of this Loan Agreement.

Section 6.3 Completion of Acquisition of the Project. Upon completion of the acquisition of the Project, an Authorized Officer of the Governmental Unit shall deliver a certificate to the Finance Authority and the Trustee substantially in the form of Exhibit "D" attached hereto stating that, to the best of his or her knowledge, the Project has been completed and accepted by the Governmental Unit, and all costs have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

Section 6.4 Application of Loan Agreement Proceeds Subsequent to Completion of the Project. Upon completion of the Project as signified by delivery of the completion certificate contemplated in Section 6.3 hereof, or in the event that the Finance Authority and the Trustee shall not have received a certificate of completion as required by Section 6.3 hereof by the date three (3) years from the Closing Date (or such later date as is approved in writing by Bond Counsel), the Trustee shall transfer the amounts remaining in the Program Account (except amounts necessary for payment of amounts not then due and payable) to the Finance Authority Debt Service Account and such amounts shall be used for the payment of Loan Agreement Payments.

## **ARTICLE VII COMPLIANCE WITH LAWS AND RULES; OTHER COVENANTS**

Section 7.1 Further Assurances and Corrective Instruments. The Finance Authority and the Governmental Unit agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues, or for otherwise carrying out the intention hereof.

Section 7.2 Finance Authority and Governmental Unit Representatives. Whenever under the provisions hereof the approval of the Finance Authority or the Governmental Unit is required, or the Governmental Unit or the Finance Authority is required to take some action at the request of the other, such approval or such request shall be given for the Finance Authority or for the Governmental Unit by an Authorized Officer of the Finance Authority or the Governmental Unit, as the case may be, and any party hereto shall be authorized to act on any such approval or request.

Section 7.3 Requirements of Law. During the Loan Agreement Term, the Governmental Unit and the Finance Authority shall observe and comply promptly with all current and future orders of all courts having jurisdiction over the parties hereto, the Project or the Pledged Revenues.

Section 7.4 First Lien; Equality of Liens. The Loan Agreement Payments constitute an irrevocable first lien (but not necessarily an exclusive first lien) upon the Pledged Revenues. The Governmental Unit covenants that the Loan Agreement Payments and any Parity Obligations herein authorized to be issued and from time to time outstanding shall be equitably and ratably secured by a first lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues regardless of the time or times of the issuance of such obligations, it being the intention of the Governmental Unit that there shall be no priority between the Loan Agreement Payments and any such Parity Obligations regardless of the fact that they may be actually issued and delivered at different times.

Section 7.5 Expeditious Completion. The Governmental Unit shall complete the Project with all practical dispatch.

Section 7.6 Bank Designation of Loan Agreement. For purposes of and in accordance with Section 265 of the Code, the Governmental Unit hereby designates this Loan Agreement as an issue qualifying for the exception for certain qualified tax-exempt obligations to the rule denying banks and other financial institutions 100% of the deduction for interest expenses which is allocable to tax-exempt interest. The Governmental Unit reasonably anticipates that the total amount of tax exempt obligations (other than obligations described in Section 265(b)(3)(C)(ii) of the Code) which will be issued by the Governmental Unit and by any aggregated issuer during the current calendar year will not exceed \$10,000,000. For purposes of this Section 7.6, "aggregated issuer" means any entity which: (i) issues obligations on behalf of the Governmental Unit; (ii) derives its issuing authority from the Governmental Unit; or (iii) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury Regulation Section 1.150-1(e). The Governmental Unit hereby represents that: (a) it has not created and does not intend to create and does not expect to benefit from any entity formed or availed of to avoid the purposes of Section 265(b)(3)(C) or (D) of the Code; and (b) the total amount of obligations so designated by the Governmental Unit, and all aggregated issuers for the current calendar year does not exceed \$10,000,000.

Section 7.7 Arbitrage Rebate Exemption. The Governmental Unit hereby certifies and warrants, for the purpose of qualifying for the exception contained in Section 148(f)(4)(D) of the Code, to the requirement to rebate arbitrage earnings from investments of the proceeds of the Loan Agreement (the "Rebate Exemption"), that: (i) this Loan Agreement is issued by the Governmental

Unit which has general taxing powers; (ii) neither this Loan Agreement nor any portion thereof is a private activity bond as defined in Section 141 of the Code (“Private Activity Bond”); (iii) all of the net proceeds of this Loan Agreement are to be used for local government activities of the Governmental Unit (or of a governmental unit, the jurisdiction of which is entirely within the jurisdiction of the Governmental Unit); and (iv) neither the Governmental Unit nor any aggregated issuer has issued or is reasonably expected to issue any tax-exempt bonds other than (A) Private Activity Bonds (as those terms are used in Section 148(f)(4)(D) of the Code) and (B) refunding bonds issued to refund (other than to advance refund (as used in the Code)) any bond to the extent the amount of the refunding bond does not exceed the outstanding amount of the refunded bond, during the current calendar year, which would in the aggregate amount exceed \$5,000,000. For purposes of this paragraph, “aggregated issuer” means any entity which: (a) issues obligations on behalf of the Governmental Unit; (b) derives its issuing authority from the Governmental Unit; or (c) is controlled directly or indirectly by the Governmental Unit within the meaning of Treasury Regulation Section 1.150-1(e). The Governmental Unit hereby represents that it has not created, does not intend to create and does not expect to benefit from any entity formed or availed of to avoid the purposes of Section 148(f)(4)(D) of the Code.

Accordingly, with respect to the Loan Agreement, the Governmental Unit will qualify for the rebate exemption granted under Section 148(f)(4)(D) of the Code and the Governmental Unit shall be treated as meeting the requirements of paragraphs (2) and (3) of Section 148(f) of the Code relating to the required rebate of arbitrage earnings to the United States.

The Governmental Unit hereby further represents and covenants that if it is determined that rebatable arbitrage, as that term is defined under Section 148 of the Code and related regulations, is required to be paid to the United States, that it will pay such rebatable arbitrage.

## **ARTICLE VIII PREPAYMENT OF LOAN AGREEMENT PAYMENTS**

Section 8.1 Prepayment. The Governmental Unit is hereby granted the option to prepay any of the Principal Components of this Loan Agreement in whole or in part on any day on or after one (1) year following the Closing Date without penalty or prepayment premium. The Governmental Unit may designate the due dates of any Principal Components being prepaid in the event of a partial prepayment. Notice of intent to make such prepayment shall be provided to the Finance Authority and the Trustee by the Governmental Unit no less than forty-five (45) days prior to the prepayment date. The Trustee shall recalculate the Loan Agreement Payments due under this Loan Agreement in the event of a partial prepayment in a manner which is consistent with the manner in which the Bonds, if any, are prepaid.

Section 8.2 Defeasance. Should the Governmental Unit pay or make provision for payment of the Loan such that all amounts due pursuant to this Loan Agreement shall be deemed to have been paid and defeased, then the Loan Agreement Payments hereunder shall also be deemed to have been paid, the Governmental Unit’s payment obligations hereunder shall be terminated, this Loan Agreement and all obligations contained herein shall be discharged and the pledge hereof released. Such payment shall be deemed made when the Governmental Unit has deposited with an escrow agent, in trust, (i) moneys sufficient to make such payment, and/or (ii) noncallable Governmental Obligations maturing as to principal and interest in such amount and at

such times as will ensure the availability of sufficient moneys to make such payment and when all necessary and proper expenses of the Finance Authority have been paid or provided for. In the event the Governmental Unit makes provisions for defeasance of this Loan Agreement, the Governmental Unit shall cause to be delivered (1) a report of an independent nationally recognized certified public accountant verifying the sufficiency of the escrow established to pay this Loan Agreement in full when due or upon an irrevocably designated prepayment date, and (2) an opinion of Bond Counsel to the effect that this Loan Agreement is no longer outstanding, each of which shall be addressed and delivered to the Finance Authority. Governmental Obligations within the meaning of this Section 8.2, unless otherwise approved by the Finance Authority, shall include only (1) cash, (2) U.S. Treasury Certificates, Notes and Bonds (including State and Local Government Series – “SLGs”), and (3) obligations the principal of and interest on which are unconditionally guaranteed by the United States of America.

## **ARTICLE IX INDEMNIFICATION**

From and to the extent of the Pledged Revenues, and to the extent permitted by law, the Governmental Unit shall and hereby agrees to indemnify and save the Finance Authority and the Trustee harmless against and from all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the acquisition or operation of the Project during the Loan Agreement Term, from: (i) any act of negligence or other misconduct of the Governmental Unit or breach of any covenant or warranty by the Governmental Unit hereunder; and (ii) the incurrence of any cost or expense in connection with the acquisition or operation of the Project in excess of the Loan Agreement proceeds and interest on the investment thereof. The Governmental Unit shall indemnify and save the Finance Authority and the Trustee harmless, from and to the extent of the available Pledged Revenues, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the Finance Authority or the Trustee, shall defend the Finance Authority or the Trustee, as applicable, in any such action or proceeding.

## **ARTICLE X EVENTS OF DEFAULT AND REMEDIES**

Section 10.1 Events of Default Defined. Any one of the following shall be an Event of Default under this Loan Agreement:

(a) Failure by the Governmental Unit to pay any amount required to be paid under this Loan Agreement on the date on which it is due and payable;

(b) Failure by the Governmental Unit to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in paragraph (a), for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to the Governmental Unit by the Finance Authority or the Trustee unless the Finance Authority and the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Finance Authority or the Trustee but cannot be cured within the applicable thirty (30) day period, the

Finance Authority and the Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Governmental Unit within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of force majeure the Governmental Unit is unable to carry out the agreements on its part herein contained, the Governmental Unit shall not be deemed in default under this paragraph (b) during the continuance of such inability (but force majeure shall not excuse any other Event of Default);

(c) Any warranty, representation or other statement by or on behalf of the Governmental Unit contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement is false or misleading in any material respect;

(d) A petition is filed against the Governmental Unit under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within thirty (30) days after such filing, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests;

(e) The Governmental Unit files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or

(f) The Governmental Unit admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Governmental Unit for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests.

Section 10.2 Remedies on Default. Whenever any Event of Default has occurred and is continuing and subject to Section 10.3 hereof, the Finance Authority or the Trustee may take any or all of the following actions as may appear necessary or desirable to collect the payments then due and to become due or to enforce performance of any agreement of the Governmental Unit in this Loan Agreement or the Intercept Agreement:

(a) By mandamus or other action or proceeding or suit at law or in equity to enforce the rights of the Finance Authority and the Trustee under this Loan Agreement and the Intercept Agreement against the Governmental Unit, and compel the Governmental Unit to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein; or

(b) By suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Finance Authority or the Trustee; or

(c) Intervene in judicial proceedings that affect this Loan Agreement or the Pledged Revenues; or

(d) Cause the Governmental Unit to account as if it were the trustee of an express trust for all of the Pledged Revenues; or

(e) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due under this Loan Agreement or to enforce any other of its rights thereunder; or

(f) Apply any amounts in the Program Account toward satisfaction of any of the obligations of the Governmental Unit under this Loan Agreement.

Section 10.3 Limitations on Remedies. A judgment requiring a payment of money entered against the Governmental Unit may reach only the available Pledged Revenues.

Section 10.4 No Remedy Exclusive. Subject to Section 10.3 hereof, no remedy herein conferred upon or reserved to the Finance Authority or the Trustee is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Finance Authority or the Trustee to exercise any remedy reserved in this Article X, it shall not be necessary to give any notice, other than such notice as may be required in this Article X.

Section 10.5 Waivers of Events of Default. The Finance Authority or the Trustee may in its discretion waive by written waiver any Event of Default hereunder and the consequences of such an Event of Default provided, however, that there shall not be waived: (i) any Event of Default in the payment of the principal of this Loan Agreement at the date when due as specified herein; or (ii) any default in the payment when due of the interest on this Loan Agreement, unless prior to such waiver or rescission, all arrears of interest, with interest at the rate borne by this Loan Agreement on all arrears of payments of principal and all expenses of the Finance Authority or the Trustee, in connection with such Event of Default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Finance Authority or the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case, the Finance Authority and the Trustee shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 10.6 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 10.7 Agreement to Pay Attorneys' Fees and Expenses. In the event that the Governmental Unit shall default under any of the provisions hereof and the Finance Authority or the Trustee shall employ attorneys or incur other expenses for the collection of payments hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Governmental Unit herein contained, the Governmental Unit agrees that it shall on demand therefor pay to the Finance Authority or the Trustee, as applicable, the fees of such attorneys and such other expenses so incurred, to the extent that such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Governmental Unit under this Section shall be limited to expenditures from and to the extent of the available Pledged Revenues.

## INTERCEPT AGREEMENT

This INTERCEPT AGREEMENT is made and entered into April 12, 2024, by and between the NEW MEXICO FINANCE AUTHORITY (the “Finance Authority”), a public body politic and corporate constituting a governmental instrumentality separate and apart from the State of New Mexico (the “State”) under the laws of the State and the VILLAGE OF MAGDALENA, NEW MEXICO, a political subdivision duly organized and existing under the laws of the State (the “Governmental Unit”).

### W I T N E S S E T H:

WHEREAS, Sections 6-21-1 through 6-21-31, NMSA 1978, as amended, authorized the creation of the Finance Authority within the State to assist in financing the cost of public projects of participating qualified entities, including the Governmental Unit, such as the acquisition of a new police vehicle and the related equipment for use by the Governmental Unit; and

WHEREAS, pursuant to Sections 6-21-1 through 6-21-31, NMSA 1978, as amended, and Sections 3-31-1 through 3-31-12, NMSA 1978, as amended (collectively, the “Act”), the Finance Authority and the Governmental Unit are authorized to enter into agreements to facilitate the financing of the Project as described in the Loan Agreement by and between the Finance Authority and the Governmental Unit of even date herewith (the “Loan Agreement”); and

WHEREAS, the Governmental Unit desires to acquire the Project and such acquisition is permitted under the Act; and

WHEREAS, the Finance Authority has established its Loan Program (the “Program”) funded by its public project revolving fund (as defined in the Act) for the financing of infrastructure and equipment projects upon the execution of the Loan Agreement and the assignment of loan agreements to a trustee (the “Trustee”); and

WHEREAS, the Governmental Unit desires to borrow \$66,742 from the Program for the purpose of financing the acquisition of the Project, which Loan is to be governed by this Intercept Agreement and by the Loan Agreement; and

WHEREAS, the Act confers upon the Finance Authority the authority to loan funds to the Governmental Unit to finance the Project, and Section 29-13-6, NMSA 1978, as amended, authorizes the Governmental Unit to direct that its distribution of Law Enforcement Protection Fund Revenues (the “Pledged Revenues”) from the State Treasurer (the “Distributing State Agency”) be paid to the Finance Authority or its assignee, to secure payments under the Loan Agreement.

NOW THEREFORE, the parties hereto agree:

Unless otherwise defined in this Intercept Agreement and except where the context by clear implication otherwise requires, capitalized terms used in this Intercept Agreement shall have for all purposes of this Intercept Agreement the meanings assigned thereto in the Loan Agreement and the Indenture, as defined in the Loan Agreement.

Section 1. Authorization to the Finance Authority. The Governmental Unit hereby recognizes that the Finance Authority has made a Loan to the Governmental Unit in the amount of \$66,742 to finance the acquisition of the Project. Pursuant to the Loan Agreement and this Intercept Agreement, the Loan and all Loan Agreement Payments on the Loan made by or on behalf of the Governmental Unit shall be collected by the Finance Authority and remitted to the Trustee. All payments due on the Loan from the Pledged Revenues shall be paid by the Distributing State Agency to the Finance Authority or its designee, on behalf of the Governmental Unit, from scheduled distributions of the Pledged Revenues in accordance with the Intercept Schedule attached hereto as Exhibit "A" (the "Intercept Schedule"), or shall be made from special reserve funds of the Finance Authority (as determined by the Finance Authority, and subject to repayment from the Pledged Revenues).

This Intercept Agreement shall be deemed a written certification, authorization and request by the Governmental Unit to the Distributing State Agency to pay to the Finance Authority, on behalf of the Governmental Unit, sums shown on the Intercept Schedule from periodic distributions of the Pledged Revenues pursuant to Section 29-13-6, NMSA 1978, as amended, or from special reserve funds of the Finance Authority (as determined by the Finance Authority, and subject to repayment from the Pledged Revenues) to insure compliance with the Loan Agreement and repayment of the Loan. Upon written notice to the Distributing State Agency from the Finance Authority, the amount of the Pledged Revenues to be paid to the Finance Authority shall be increased from the amounts shown on Exhibit "A" to defray any delinquencies in the Finance Authority Debt Service Account or Loan Agreement Reserve Account, if any, established for the Governmental Unit. Any accumulation of the Pledged Revenues in an amount in excess of the next Loan Agreement Payment and the Loan Agreement Reserve Requirement, if any, shall be redirected by the Finance Authority to the benefit of the Governmental Unit on a timely basis as provided in Section 5.2 of the Loan Agreement.

To the extent applicable and to the extent that the Pledged Revenues are insufficient to meet the debt service requirements due on the Loan and other Parity Obligations (as defined in the Loan Agreement) now or hereafter issued or incurred, the amounts intercepted under this Intercept Agreement shall be applied to allow partial payment on a pro-rata basis of the debt service due and owing on the Loan Agreement and other Parity Obligations.

Section 2. Term; Amendments. This Intercept Agreement will remain in full force and effect from its effective date as herein provided until such time as the Loan made pursuant to the Loan Agreement and this Intercept Agreement have been paid in full. Nothing herein shall be deemed in any way to limit or restrict the Governmental Unit from issuing its own obligations, providing its own program or participating in any other program for the financing of public projects which the Governmental Unit may choose to finance. This Intercept Agreement may be amended only by written instrument signed by the parties hereto.

Section 3. Authorization. The execution and performance of the terms of this Intercept Agreement have been authorized and approved by Resolution No. 2024-03, passed and adopted on February 26, 2024, by the Governing Body of the Governmental Unit, which Resolution is in full force and effect on the date hereof.

Section 4. Severability of Invalid Provisions. If any one or more of the provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such provision shall be null and void and shall be deemed separable from the remaining provisions and shall in no way affect the validity of any of the other provisions hereof.

Section 5. Counterparts. This Intercept Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 6. Further Authorization. The Governmental Unit agrees that the Finance Authority shall do all things necessary or convenient to the implementation of the Program to facilitate the Loan to the Governmental Unit.

Section 7. Effective Date. This Intercept Agreement shall take effect on the Closing Date of the Loan.

Section 8. Initial Intercept Date. As indicated on the Intercept Schedule, the periodic distribution of the Pledged Revenues that is to be intercepted by the Distributing State Agency under the terms of this Intercept Agreement consist of Pledged Revenues due to the Governmental Unit distributed in the Fiscal Year ending June 30, 2025.

Section 9. Final Intercept Date. Once the Loan has been fully paid off and satisfied, Finance Authority shall provide written notice to the Distributing State Agency to discontinue the interception of the Governmental Unit's Pledged Revenues.

3. **Finance Authority Public Project Revolving Fund Program.** The Governmental Unit acknowledges that the Finance Authority may assign and transfer the Loan Agreement to the BOKF, NA, as successor trustee (the “Trustee”) pursuant to the Indenture, as defined in the Loan Agreement, and all Supplemental Indentures thereto, between the Finance Authority and the Trustee (collectively, the “Indenture”). Pursuant to the Indenture, the Loan Agreement may be pledged as an Additional Pledged Loan to the Trustee as additional security for the payment of amounts due on the Finance Authority’s Public Project Revolving Fund Revenue Bonds outstanding at the time of such pledge.

4. **Sources and Uses of Loan Funds.** The Governmental Unit has received Loan proceeds from the public project revolving fund, as defined in the New Mexico Finance Authority Act, Sections 6-21-1, *et seq.*, NMSA 1978, as amended and supplemented, in the amount of \$66,742 from the Finance Authority (the “Proceeds”). The Proceeds do not exceed the amount reasonably necessary for the purposes for which the Loan Agreement was entered into.

5. Expenditure Expectations. The Governmental Unit expects to incur a substantial binding obligation within six (6) months of the date hereof with regard to the Project, which obligation involves the expenditure of no less than five percent (5%) of the Proceeds. The Governmental Unit reasonably expects that the \$66,742 of Proceeds deposited into the Governmental Unit's Program Account in the Program Fund together with other legally available funds and anticipated earnings from the investment of such Proceeds until they are spent, are expected to be expended within three (3) years of the date hereof.

The estimated total costs of the Project will not be less than \$66,742 plus investment earnings thereon during the acquisition period.

Proceeds in the amount of \$0.00 will be deposited into the Finance Authority Debt Service Account to be maintained by the Finance Authority or its assignee and utilized as provided in Section 5.2 of the Loan Agreement.

6. Investment of Proceeds. Except for the investment of the Proceeds (i) in the Program Account established under the Indenture with respect to the Loan Agreement pending the payment of the costs of the Project, and (ii) in the Finance Authority Debt Service Account established and administered by the Finance Authority pending the payment of debt service on the Loan Agreement, there will be no investment of the Proceeds.

7. Bona Fide Debt Service Fund. Debt service payments on the Loan Agreement will be paid from the Pledged Revenues of the Governmental Unit deposited to the Finance Authority Debt Service Account created with respect to the Loan Agreement. Because the Pledged Revenues of the Governmental Unit for any year will exceed debt service on the Loan Agreement, it is assumed that current debt service paid by the Governmental Unit for deposit in the Finance Authority Debt Service Account will be derived entirely from the current Pledged Revenues. The Finance Authority Debt Service Account will be depleted at least once a year except for an amount not to exceed the greater of the earnings on the Finance Authority Debt Service Account for the immediately preceding bond year or one-twelfth (1/12<sup>th</sup>) of debt service on the Loan for the immediately preceding bond year. The Governmental Unit has not created or established, nor does it expect to create or establish, any debt service fund, redemption fund, replacement fund, sinking fund or other similar fund which is reasonably expected to be used to pay principal or interest on the Loan Agreement or pledged therefor, except for the Finance Authority Debt Service Account.

8. No Disposition of Project. The undersigned reasonably expect that no part of the Project acquired with the Proceeds will be sold or otherwise disposed of, in whole or in part, during the term of the Loan Agreement.

9. General Tax Covenant. The Governmental Unit has covenanted in the Loan Agreement that no use will be made of the Proceeds, or any funds or accounts of the Governmental Unit which may be deemed to be Gross Proceeds (as defined in Treasury Regulation Section 1.148(b)) of the Loan Agreement, which use, if it had been reasonably expected on the date hereof, would have caused the Loan Agreement to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. The Governmental Unit has further obligated itself in the Loan Agreement to comply throughout the term of the Loan

Agreement with the requirements of Sections 103 and 141 through 150 of the Code and regulations proposed or promulgated with respect thereto.

10. Private Business Use Limitations. None of the Proceeds will be used by a private business or any entity other than a governmental unit or secured by payments from or property of a private business or any entity other than a governmental unit except pursuant to a management contract which conforms with Revenue Procedure 2017-13 of the United States Treasury. For purposes of the preceding sentence a governmental unit does not include the United States Government or any agency or instrumentality thereof.

11. No Common Plan of Financing. There are no other obligations which are being issued or sold at substantially the same time as the Loan Agreement pursuant to a common plan of financing with the Loan Agreement and that will be paid out of the Pledged Revenues or will have substantially the same claim to be paid out of the Pledged Revenues as the Loan Agreement.

12. No Federal Guarantees. The Loan is not federally guaranteed within the meaning of Section 149(b) of the Code.

13. Information Filing. Loan Counsel for the Finance Authority, on behalf of the Governmental Unit, will timely file the Form 8038-G with respect to the Loan Agreement attached hereto as Exhibit "A" with the Internal Revenue Service. The Finance Authority has verified certain information necessary to complete the Form 8038-G as shown on the Finance Authority Certificate attached hereto as Exhibit "B".

14. Hedge Bonds. The Loan is not a hedge bond as defined in Section 149 of the Code.

15. No Reimbursement. None of the Proceeds will be used to reimburse the Governmental Unit for costs paid for the Project more than sixty (60) days prior to the date hereof.

16. No Refunding. Proceeds of the Loan are not being used to refund any other obligation of the Governmental Unit.

17. Economic Life of Project. The weighted average maturity of 5.0409 years of the Loan Agreement does not exceed 120% of the reasonably expected economic life of the Project, which is four (4) years.

18. Qualified Tax-Exempt Obligations. The Loan Agreement is a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the Code. The Governmental Unit represents that the reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Governmental Unit during the current calendar year does not exceed \$10,000,000 and the Governmental Unit will not designate more than \$10,000,000 of "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. For purposes of this Section, "aggregated issuer" means any entity which: (i) issues obligations on behalf of the Governmental Unit; (ii) derives its issuing authority from the Governmental Unit; or (iii) is

controlled directly or indirectly by the Governmental Unit within the meaning of Treasury Regulation Section 1.150-1(e).

19. Rebate Exception. The Governmental Unit is a governmental unit with general taxing powers, no part of the Loan Agreement is a private activity bond, ninety-five percent (95%) or more of the proceeds are to be used for local governmental activities of the Governmental Unit and, the aggregate face amount of all tax-exempt obligations issued by the Governmental Unit during the current calendar year is not reasonably expected to exceed \$5,000,000. There are no subordinate entities of the Governmental Unit which are authorized to issue tax-exempt obligations. If the Governmental Unit fails to satisfy all of the provisions of this paragraph 19 for any reason, as provided in the Loan Agreement and consistent with the covenants of the Governmental Unit contained therein, any rebate owed to the United States Treasury will be paid in the amounts and at the times provided in Section 148 of the Code.

20. Record Retention. The Governmental Unit will manage and retain records related to the Loan as follows:

A. Records will be retained for the life of the Loan, including any refunding loans related thereto, plus three (3) years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to the Loan and compliance functions;

B. Basic records relating to the Loan transaction, including transcript documents executed in connection with the issuance of the Loan (i.e., the authorizing documents, Form 8038-G, the tax certificate, and any elections made with respect to the Loan, if applicable), any amendments, and copies of rebate calculations and records of payments, including Forms 8038-T;

C. Records pertaining to the use of Loan-financed facilities by public and private sources including copies of management agreements and research agreements;

D. Records pertaining to expenditures of Loan proceeds including requisitions, appraisal and property purchase contracts, account statements, invoices, payment vouchers, and the final allocation of proceeds to expenditures;

E. Records pertaining to all sources of payment or security for the Loan; and

F. Records pertaining to investments including guaranteed investment contract documents under the Treasury Regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

This certificate is being executed and delivered to establish the reasonable expectations of the Governmental Unit for purposes of Sections 103 and 141 through 148 of the Code, and the undersigned officers of the Governmental Unit are the officers of the Governmental Unit charged with the responsibility of entering into the Loan Agreement. The foregoing is based upon the reasonable expectations of the undersigned on the date hereof, and to the best of our knowledge, information and belief, the above expectations are reasonable.

The 2021 Loan Agreement is payable from a lien on the distribution of Law Enforcement Protection Funds distributed annually by the New Mexico State Treasurer (the “Pledged Revenues”).

WHEREAS, the Governmental Unit pursuant to Resolution No. 2022-14 adopted on August 8, 2022 (the “2022 Resolution”), executed and delivered a Loan Agreement (the “2022 Loan Agreement”) between the Governmental Unit and the Finance Authority, in the aggregate principal amount of \$68,129.39. The 2022 Loan Agreement is payable from a lien on the distributions of the Pledged Revenues.

WHEREAS, the Governmental Unit, pursuant to Resolution No. 2023-18 adopted on August 14, 2023 (the “2023 Resolution”), executed and delivered a Loan Agreement (the “2023 Loan Agreement”) between the Governmental Unit and the Finance Authority, in the aggregate principal amount of \$54,358.85. The 2023 Loan Agreement is payable from a lien on the distributions of the Pledged Revenues.

WHEREAS, the Governmental Unit, pursuant to Resolution No. 2024-01 adopted on January 22, 2024 (the “2024 Resolution”), executed and delivered a Loan Agreement (the “2024 Loan Agreement”) between the Governmental Unit and the Finance Authority, in the aggregate principal amount of \$58,488. The 2024 Loan Agreement is payable from a lien on the distributions of the Pledged Revenues.

WHEREAS, the Governmental Unit, pursuant to Resolution No. 2024-03 adopted on February 26, 2024 (the “PPRF-6365 Resolution”), intends to execute and deliver on the date hereof its Finance Authority Loan Agreement in the aggregate principal amount of \$66,742 for the purpose of purchasing a new police vehicle and the related equipment (the “PPRF-6365 Loan Agreement”) payable from the Pledged Revenues, as set forth in the PPRF-6365 Loan Agreement.

WHEREAS, Section 5.5, the “Additional Parity Obligations” of the 2021 Loan Agreement provides as follows:

“Section 5.5 Additional Parity Obligations. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional

Parity Obligations payable from the Pledged Revenues, nor to prevent the issuance of bonds or other obligations refunding all or a part of this Loan Agreement; provided, however, that before any such additional Parity Obligations are actually issued (excluding refunding bonds or refunding obligations which refund Parity Obligations but including parity refunding bonds and obligations which refund subordinate obligations as provided in Section 5.6 hereof), it must be determined that:

(a) The Governmental Unit is then current in all of the accumulations required to be made into the Finance Authority Debt Service Account as provided herein.

(b) No default shall exist in connection with any of the covenants or requirements of the Resolution or this Loan Agreement.

(c) The Pledged Revenues received by or credited to the Governmental Unit for the Fiscal Year or for any twelve (12) consecutive months out of the twenty-four (24) months preceding the date of the issuance of such additional Parity Obligations (the "Historic Test Period") shall have been sufficient to pay an amount representing one hundred twenty-five percent (125%) of the combined maximum Aggregate Annual Debt Service Requirements coming due in any subsequent Fiscal Year on the then outstanding Parity Obligations and the Parity Obligations proposed to be issued (excluding the accumulation of any reserves therefor).

(d) A written certification or opinion by the Governmental Unit's Treasurer or chief financial officer or by an Independent Accountant that the Pledged Revenues for the Historic Test Period are sufficient to pay said amounts, shall be conclusively presumed to be accurate in determining the right of the Governmental Unit to authorize, issue, sell and deliver the Parity Obligations proposed to be issued.

(e) No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional bonds or other obligations payable from the Pledged Revenues constituting a lien upon such Pledged Revenues subordinate and junior to the lien of this Loan Agreement nor to prevent the issuance of bonds or other obligations refunding all or part of this Loan Agreement as permitted by Section 5.6 hereof.

(f) The Governmental Unit shall not issue bonds or other obligations payable from the Pledged Revenues having a lien thereon prior and superior to this Loan Agreement."

WHEREAS, the principal and interest on the outstanding 2021 Loan Agreement, 2022 Loan Agreement, 2023 Loan Agreement, 2024 Loan Agreement and the proposed PPRF-6365 Loan Agreement coming due to their last principal payment date are shown on Exhibit A attached hereto.

NOW THEREFORE, the undersigned do hereby certify as follows:

1. We are familiar with the provisions of the 2021 Resolution authorizing the execution and delivery of the 2021 Loan Agreement, the 2022 Resolution authorizing the execution and delivery of the 2022 Loan Agreement, the 2023 Resolution authorizing the execution and delivery of the 2023 Loan Agreement, the 2024 Resolution authorizing the execution and delivery of the 2024 Loan Agreement, the PPRF-6365 Resolution authorizing the

2. We are familiar with the books, accounts and funds of the Governmental Unit pertaining to the Pledged Revenues.

3. Except as stated in the preambles to this Certificate, the Pledged Revenues have not been pledged or hypothecated to the payment of any outstanding parity lien obligations and no other outstanding obligations are payable from the Pledged Revenues.

4. The Governmental Unit is not, and has not been in default as to making any payments on the 2021 Loan Agreement, the 2022 Loan Agreement, the 2023 Loan Agreement and the 2024 Loan Agreement, nor under any of the covenants or requirements of the 2021 Loan Agreement, the 2022 Loan Agreement, the 2023 Loan Agreement and the 2024 Loan Agreement.

5. The PPRF-6365 Loan Agreement is payable from the Pledged Revenues and will constitute a lien upon the Pledged Revenues on a parity with the lien of the outstanding 2021 Loan Agreement, the outstanding 2022 Loan Agreement, the outstanding 2023 Loan Agreement and the outstanding 2024 Loan Agreement.

6. The fiscal year immediately preceding the date of the PPRF-6365 Loan Agreement is the period commencing on July 1, 2022 and ending in June 30, 2023.

7. The Pledged Revenues for the fiscal year ended June 30, 2023, are fairly stated at \$98,000.

One hundred twenty-five percent (125%) of such amount is \$65,647.25.

9. The Pledged Revenues of \$98,000 (i.e., paragraph 7 above) for the fiscal year immediately preceding the date of the execution and delivery of the PPRF-6365 Loan Agreement were sufficient to pay an amount representing one hundred twenty-five percent (125%) of the combined maximum Aggregate Annual Debt Service Requirements of \$65,647.25 on the 2021 Loan Agreement, the 2022 Loan Agreement, the 2023 Loan Agreement, the 2024 Loan Agreement and the PPRF-6365 Loan Agreement.

10. This certificate is for the benefit of each holder from time to time of the PPRF-6365 Loan Agreement and for the benefit of bond counsel in rendering opinions to the effect that the PPRF-6365 Loan Agreement is secured by a lien pledge on the Pledged Revenues on a parity with the 2021 Loan Agreement, the 2022 Loan Agreement, the 2023 Loan Agreement and the 2024 Loan Agreement.

D. It is economically feasible to defray, in whole or in part, the costs of the Project by the execution and delivery of the Loan Agreement.

F. The Governmental Unit will acquire the Project, in whole or in part, with the net proceeds of the Loan.

H. The net effective interest rate on the Loan does not exceed twelve percent (12.0%) per annum, which is the maximum rate permitted by State law.

Section 5. Loan Agreement and Intercept Agreement - Authorization and Detail.

A. Authorization. This Resolution has been adopted by the affirmative vote of at least a majority of all of the members of the Governing Body. For the purpose of protecting the public health, conserving the property, protecting the general welfare and prosperity of the residents of the Governmental Unit and acquiring the Project, it is hereby declared necessary that

the Governmental Unit, pursuant to the Act, execute and deliver the Loan Agreement and the Intercept Agreement evidencing a special, limited obligation of the Governmental Unit to pay a principal amount of \$66,742 plus interest thereon, and the execution and delivery of the Loan Agreement and the Intercept Agreement are hereby authorized. The Governmental Unit shall use the proceeds of the Loan to (i) finance the acquisition of the Project; (ii) make a deposit to the Finance Authority Debt Service Account. The Project will be owned by the Governmental Unit.

B. Detail. The Loan Agreement and Intercept Agreement shall be in substantially the forms of the Loan Agreement and Intercept Agreement presented at the meeting of the Governing Body at which this Resolution was adopted. The Loan shall be in an original aggregate principal amount of \$66,742, shall be payable in installments of principal due on May 1 of the years designated in Exhibit "B" to the Loan Agreement and bear interest payable on May 1 and November 1 of each year, beginning on November 1, 2024, at the rates designated in Exhibit "B" to the Loan Agreement.

Section 6. Approval of Loan Agreement and Intercept Agreement. The forms of the Loan Agreement and the Intercept Agreement, as presented at the meeting of the Governing Body at which this Resolution was adopted are hereby approved. The Loan Agreement shall be secured by the pledge of the Pledged Revenues as set forth in the Loan Agreement and shall be payable solely from the Pledged Revenues. The Loan Agreement, together with other obligations of the Governmental Unit thereunder, shall be a special, limited obligation of the Governmental Unit, payable solely from the Pledged Revenues as provided in this Resolution and the Loan Agreement and shall not constitute a general obligation of the Governmental Unit or the State, and the holders of the Loan Agreement may not look to any general or other fund of the Governmental Unit for payment of the obligations thereunder. Nothing contained in this Resolution or in the Loan Agreement, or any other instruments, shall be construed as obligating the Governmental Unit (except with respect to the application of the Pledged Revenues), as incurring a pecuniary liability or a charge upon the general credit of the Governmental Unit or against its taxing power, nor shall a breach of any agreement contained in this Resolution, the Loan Agreement, or any other instrument impose any pecuniary liability upon the Governmental Unit or any charge upon its general credit or against its taxing power. The Loan Agreement shall never constitute an indebtedness of the Governmental Unit within the meaning of any State constitutional provision or statutory limitation and shall never constitute or give rise to a pecuniary liability of the Governmental Unit or a charge against its general credit or taxing power. Nothing herein shall prevent the Governmental Unit from applying other funds of the Governmental Unit legally available therefore to payments required by the Loan Agreement, in its sole and absolute discretion.

Section 8. Disposition of Proceeds: Completion of Acquisition of the Project.

A. Program Account, Finance Authority Debt Service Account. The Governmental Unit hereby consents to creation of the Finance Authority Debt Service Account to be held by the Finance Authority and to the Program Account to be held by the Trustee pursuant to the Indenture, each in connection with the Loan. Until the Completion Date, the money in the Program Account shall be used and paid out solely for the purpose of acquiring the Project in compliance with applicable law and the provisions of the Loan Agreement and the Indenture.

The Governmental Unit will acquire the Project with all due diligence.

B. Completion of Acquisition of the Project. Upon the Completion Date, the Governmental Unit shall execute and send to the Finance Authority a certificate stating that acquisition of and payment for the Project have been completed. As soon as practicable, and, in any event, not more than sixty (60) days from the Completion Date, any balance remaining in the Program Account shall be transferred and deposited into the Finance Authority Debt Service Account, as provided in the Loan Agreement and the Indenture.

C. Finance Authority and Trustee Not Responsible. The Finance Authority and the Trustee shall in no manner be responsible for the application or disposal by the Governmental Unit or by its officers of the funds derived from the Loan Agreement or of any other funds herein designated.

Section 9. Deposit of Pledged Revenues, Distributions of the Pledged Revenues and Flow of Funds.

A. Deposit of Pledged Revenues. Pursuant to the Intercept Agreement, Pledged Revenues shall be paid directly by the Distributing State Agency to the Finance Authority for deposit in the Finance Authority Debt Service Account and remittance to the Trustee in an amount sufficient to pay the principal and interest due under the Loan Agreement.

B. Termination on Deposits to Maturity. No payment shall be made into the Finance Authority Debt Service Account if the amount in the Finance Authority Debt Service Account totals a sum at least equal to the entire aggregate amount to become due as to principal, interest on, and any other amounts due under, the Loan Agreement in which case moneys in such account in an amount at least equal to such principal and interest requirements shall be used solely to pay such obligations as the same become due, and any moneys in excess thereof in such accounts shall be transferred to the Governmental Unit and used as provided below.

C. Use of Surplus Revenues. After making all the payments hereinabove required to be made by this Section and any payments required by outstanding Parity Obligations, any moneys remaining in the Finance Authority Debt Service Account shall be transferred to the Governmental Unit on a timely basis and shall be applied to any other lawful purpose, including, but not limited to, the payment of any Parity Obligations or bonds, or obligations subordinate and junior to the Loan Agreement, or other purposes authorized by the Governmental Unit, the Constitution and laws of the State, as the Governmental Unit may from time to time determine.

Section 10. Lien on Pledged Revenues. Pursuant to the Loan Agreement, the Pledged Revenues are hereby authorized to be pledged to, and are hereby pledged to, and the Governmental Unit grants a security interest therein for, the payment of the principal, interest and any other amounts due under the Loan Agreement, subject to the uses hereof permitted by and the priorities set forth in this Resolution. The Loan Agreement constitutes an irrevocable and first lien, but not necessarily an exclusive first lien, on the Pledged Revenues as set forth herein and therein and the Governmental Unit shall not create a lien on the Pledged Revenues superior to that of the Loan Agreement.

Section 11. Authorized Officers. Authorized Officers are hereby individually authorized and directed to execute and deliver any and all papers, instruments, opinions, affidavits and other documents and to do and cause to be done any and all acts and things necessary or proper for carrying out this Resolution, the Loan Agreement, the Intercept Agreement and all other transactions contemplated hereby and thereby. Authorized Officers are hereby individually authorized to do all acts and things required of them by this Resolution, the Loan Agreement and the Intercept Agreement for the full, punctual and complete performance of all the terms, covenants and agreements contained in this Resolution, the Loan Agreement and Intercept Agreement, including but not limited to, the execution and delivery of closing documents in connection with the execution and delivery of the Loan Agreement, Intercept Agreement and the publication of the summary of this Resolution set out in Section 17 of this Resolution (with such changes, additions and deletions as may be necessary).

Section 12. Amendment of Resolution. Prior to the date of the initial delivery of the Loan Agreement to the Finance Authority, the provisions of this Resolution may be supplemented or amended by resolution of the Governing Body with respect to any changes which are not inconsistent with the substantive provisions of this Resolution. This Resolution may be amended without receipt by the Governmental Unit of any additional consideration, but only with the prior written consent of the Finance Authority.

Section 13. Resolution Irrepealable. After the Loan Agreement and Intercept Agreement have been executed and delivered, this Resolution shall be and remain irrepealable until all obligations due under the Loan Agreement shall be fully paid, canceled and discharged, as herein provided.

Section 14. Severability Clause. If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

Section 15. Repealer Clause. All bylaws, orders, resolutions, and ordinances, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any bylaw, order, resolution or ordinance, or part thereof, heretofore repealed.

\$66,742 New Mexico Finance Authority Loan to the  
Village of Magdalena, New Mexico (PPRF-6365)

Ladies and Gentlemen:

We have acted as Loan Counsel to the New Mexico Finance Authority (the "Finance Authority") in connection with the \$66,742 Loan Agreement (the "Loan Agreement") between the Village of Magdalena, New Mexico (the "Governmental Unit") and the Finance Authority. The Loan Agreement is executed and delivered by the Governmental Unit pursuant to Sections 3-31-1 through 3-31-12 and Sections 29-13-1 through 29-13-9, NMSA 1978, as amended, and the Governmental Unit's Resolution No. 2024-03, adopted on February 26, 2024 (the "Resolution"). The Loan Agreement has been executed and delivered to provide funds to purchase a new police vehicle and the related equipment, as described in the Loan Agreement.

We have examined the Loan Agreement, Resolution and such other law and certified proceedings and other documents as we deem necessary to deliver this opinion. As to all questions of fact material to the opinions set forth herein, we have relied upon representations of the Governmental Unit contained in the Resolution and certified proceedings and other documents furnished to us, without undertaking to verify the same by independent investigation. In addition, we have relied upon statements of law made by the Governmental Unit's legal counsel in the certified proceedings.

Based on our examination, we are of the opinion that, under existing laws, regulations, rulings and judicial decisions as of the date hereof, subject to the provisions of federal bankruptcy law and other laws affecting creditors' rights and further subject to the exercise of judicial discretion in accordance with general principles of equity and the assumptions, qualifications and limitations contained in this opinion:

1. The Resolution creates a valid and binding special limited obligation of the Governmental Unit enforceable in accordance with its terms and creates the pledge of the Law Enforcement Protection Fund Revenues (the "Pledged Revenues") which it purports to create.

2. The Loan Agreement is a valid and binding special limited obligation of the Governmental Unit, enforceable in accordance with its terms and provisions and the terms and provisions of the Resolution.

3. The Loan Agreement is a valid and binding special limited obligation of the Finance Authority, enforceable against the Finance Authority in accordance with its terms and provisions.

April 12, 2024  
Page 2

4. The Loan Agreement is payable solely from and such payment is secured by a valid and binding lien on the Pledged Revenues as set forth in the Loan Agreement. The Finance Authority has no right to have taxes levied by the Governmental Unit for the payment of principal of or interest on the Loan Agreement and the Loan Agreement does not represent or constitute a debt or a pledge of, or a charge against, the general credit of the Governmental Unit.

5. Assuming continuing compliance by the Finance Authority and the Governmental Unit with the requirements of the Internal Revenue Code of 1986, as amended (the "Code"), with the covenants of the Governmental Unit regarding the use, expenditure and investment of Loan Agreement proceeds and assuming the accuracy of certain representations of the Finance Authority and the Governmental Unit, interest on the Loan Agreement is excludable from gross income of the owners of the Loan Agreement for purposes of federal income taxation.
